SUMMARY

Technical marketing intern at Futurewei who turns semiconductor news and complex technical material into daily briefings, market insight reports and partner-facing collateral. Brings B2B growth and paid social experience, and co-first authored L-MARS, an ICML 2026 workshop paper on how AI systems choose and cite sources.

WORK EXPERIENCE

Futurewei Technologies, Technical Marketing Intern Santa Clara, CA Jun 2026 - Present

- Built **IC News Daily**, a morning email of about 8 semiconductor stories for Futurewei's IC lab. Set the editorial criteria, used Claude Code to pick the stories, and wrote the Python collection and Outlook delivery.
- Produced **10+** pieces of technical collateral (whitepapers, case studies, presentations) for partners and prospects.
- Distill **30+** semiconductor news items a week into market insight reports and competitive analysis for planning.
- Run weekly outreach to **100+** industry leaders and partners, mostly contacts from industry conferences.

CambioML, Marketing Intern, B2B and Growth San Jose, CA Sep 2024 - Feb 2025

- Raised backlinks **12%** and weekly website reach about 15% for this AI startup through SEO and content work.
- Built a list of **100+** potential B2B partners in the Bay Area, and ran recruiting campaigns that helped hire 10 software engineering interns for the team.

Echobend, Social Media Intern Los Angeles, CA Sep 2024 - Feb 2025

- Grew average short-form video views from about **1K to 7K** per post by tracking platform trends.
- Ran Meta Ads campaigns on Facebook and Instagram, tuning creative and targeting to lift engagement **11.7%**.
- Coordinated content rollout for influencer campaigns with Sydney Sweeney, Rosé, Mariah Carey and Conan Gray.

RESEARCH AND PROJECTS

L-MARS: Legal Multi-Agent System with Agentic Search and Citation-Faithfulness Audit ICML 2026 workshop

- Co-first author with Boqin Yuan of a legal question-answering system that is audited claim by claim against the sources it cites. Collected the data, designed the agent harness and co-wrote the paper.
- On a 100-question bar exam audit, answers with no citation fell from **34% to 13%** versus naive RAG, and strict citation F1 rose from 0.13 to 0.25.

Graduate capstone: the information gap in skincare USC

- Designed a skin-type survey and an ingredient-transparency framework, mapped competing brands and tools, and turned the research into recommendation logic for an educational tool.

ADDITIONAL EXPERIENCE

- **CASPA**, marketing and proceedings volunteer (2026). Promote the 35th Annual Conference and edit event video.
- **Amazon & GO**, advertising campaigner (2022). Ran a $2,000 Acure campaign; traffic and CTR rose 20% and sales about 10% over four months.
- **University of Illinois**, UX researcher (2022 to 2024). Ran VR experiments on avatar design and self-efficacy.
- **Earlier**: digital media assistant at Illinois, co-founder and president of Choom dance crew, Abercrombie & Fitch.
