SUMMARY

Technical marketing intern at Futurewei who turns semiconductor news and technical material into daily briefings, market insight reports and partner collateral. Brings B2B growth and paid social experience. Co-first author of L-MARS, an ICML 2026 workshop paper that audits AI answers against their cited sources.

WORK EXPERIENCE

Futurewei Technologies, Technical Marketing Intern Santa Clara, CA Jun 2026 - Present

- Built **IC News Daily**, a daily newsletter for the IC lab that has gone out every day since July to **40** subscribers, with an open rate above **97%**. Used **Claude Code** and **Codex** to build the Python pipeline behind it.
- Produced **10+** pieces of technical collateral (whitepapers, case studies, presentations) for partners and prospects.
- Distill **30+** semiconductor news items a week into market insight reports and competitive analysis for planning.
- Support weekly outreach to **100+** industry leaders and partners, mostly contacts from industry conferences.

CambioML, Marketing Intern, B2B and Growth San Jose, CA Sep 2024 - Feb 2025

- Raised backlinks **12%** and weekly website reach about 15% for this AI startup through SEO and content work.
- Built a list of **100+** potential B2B partners in the Bay Area, and supported recruiting of 10 software engineering interns through tech and social campaigns.

Echobend, Social Media Intern Los Angeles, CA Sep 2024 - Feb 2025

- Grew average short-form video views from about **1K to 7K** per post by adapting content to platform trends.
- Ran Meta Ads campaigns on Facebook and Instagram and adjusted the creative, raising engagement **11.7%**.
- Helped publish content for client influencer campaigns featuring Sydney Sweeney, Rosé and Mariah Carey.

RESEARCH AND PROJECTS

L-MARS: Legal Multi-Agent System with Agentic Search and Citation-Faithfulness Audit ICML 2026 workshop

- Co-first authored, with Boqin Yuan, a paper on a legal question-answering system whose audit checks each claim against its cited sources. Collected the data, designed the agent harness and co-wrote the paper.
- On a 100-question bar exam audit, claims with no citation fell from **34%** (naive RAG) to **13%** (L-MARS judge loop), and strict citation F1 rose from 0.13 to 0.25.

Graduate capstone: the information gap in skincare USC

- Designed a skin-type survey and an ingredient-transparency framework, and turned the research into recommendation logic for an educational tool.

ADDITIONAL EXPERIENCE

- **CASPA**, marketing and proceedings volunteer (2026). Promote the 35th Annual Conference and edit event video.
- **Amazon & GO**, advertising campaigner (2022). Ran a $2,000 Acure campaign; traffic and click-through rate rose 20% and sales about 10% over four months.
- **University of Illinois**, UX researcher (2022 to 2024). Ran VR experiments on avatar design and self-efficacy.
- **Earlier**: digital media assistant at Illinois, co-founder and president of Choom dance crew, Abercrombie & Fitch.
